Subject: Emergency Response Procedures

The attached Emergency Response and Code 3 Standard Operating Procedures will apply for all Bureau of Land Management emergency response vehicles in California. All State vehicle code laws and regulations will take precedent over this standard and each vehicle operator will be responsible for knowing the laws pertaining to their vehicle. Managers and supervisors are responsible for the oversight, training and implementation of the State vehicle driving requirements and the Emergency Response and Code 3 Standard Operating Procedures outlined in this document.

Any questions regarding the Emergency Response Procedures can be directed to Gary Cardoza, BLM Fire Operations and Equipment, at 916-978-4434.
